

Home to School Travel Arrangements from September 2024

- The Council's revised Home to School Travel Policy is being implemented from 1 September 2024
- The main eligibility criteria for eligible pupils is for travel to their '*nearest suitable school with places available*'
- The revised policy does not affect the admissions process and parents continue to be able to express preferences for their preferred schools on their application forms
- More information – including about how parents can find their nearest schools - is available on the website:

[School transport for reception to year 11 children | North Yorkshire Council](#)

This distance calculator uses bespoke NYC mapping tools and is individual for each address in North Yorkshire, distances are not same as using other online route mapping.

What happens next?

- Applications for secondary places (for Set 2025) should be submitted before 31 October 2024
- School places will be offered on national offer day, 3 March 2025, in accordance with the admissions arrangements.
- Travel arrangements for eligible pupils will be determined **only after** school place offers have been and travel requirements of all pupils are known
- This will include use of current routes/services as well as the identification of new contract requirements
- All routes and vehicles that are utilised for school travel are subject to risk assessment and review
