INDUCTION WEEK WILL BE FOR FIVE SCHOOL DAYS

Monday 8th July 2024

to

Friday 12th July 2024

Students need to be at Thirsk School at **8:45am.** and will leave at **3:15pm** Monday to Thursday.

Please meet on the first morning on the front yard.

The week will conclude with students to be collected from the bus park at **12:00pm** on Friday 14th July.

You will need to arrange transport for your child for this week. Please advise us if this is an insurmountable issue by emailing hannah.winder@thirkschool.org

At Thirsk School & Sixth Form College we like to keep parents informed about news and events. To do this we not only have our website: www.thirkschool.org, which provides a wealth of information about the school but also have active Facebook and Instagram accounts, which are updated regularly. All of these are accessible through the icons on the website page, or through the following links:

<https://www.facebook.com/thirkschool>

<https://www.instagram.com/thirkschoolandsixthform>

STUDENTS WILL NEED TO BRING WITH THEM

1. Drinks bottle for water
2. Small Pencil Case
3. Completed Introduction Sheet

Primary School uniform is to be worn at the Induction Days if they have one. We will let you know which day they are to wear PE kit closer to the time.

We also ask that students wear their trainers for the entirety of the week.

ParentPay letters and information about our Cashless Catering System have been circulated via email.

Once registered, please load your ParentPay account in readiness for Induction Week so your child is able to purchase school lunches (ie. meal deal is currently £3.00).

From September there will be an annual locker rental charge. The cost for the current academic year is £5.00. This will be payable on ParentPay and your child will need to provide their own small padlock.

IMPORTANT INFORMATION

There will be an INDUCTION EVENING on Tuesday 9th July for both parents and students to attend. Timings will be communicated closer to the date.

You will get a chance to meet the Head of Lower School (Miss Marston) and the Head of Year 7 (Mr Pierce-Williams). You will also get an insight into how best to prepare for September.

We look forward to seeing you there.
