- **50% of the GCSE**

Thirsk School & Sixth Form College

Online Resources

- Students have been told many times this term of the resources that are available.

- Lots have been shared via Teams and there are extra revision session which are limited to 15-30 minutes maximum to keep them sharp.

- There is homework that has been set online up to January (See Bromcom), and you can add your emails into **Quizizz** and **Seneca** so you can track progress.

Printed resources

- We will be using Past Papers / Past Paper Exam Questions after Christmas to support students in learning how to answer Exam questions / how to use the correct terminology etc.

- Students can request Flash Cards that I can print (I have printed 10 sets so far).

- We have a variety of different printed books and materials that students can borrow.

PPE (the Mock)

- I would encourage you to support your child with this.

- It should be seen as a **Pre Public Examination**

- It should help and support students to have an understanding of what they know and what they do not.

- I think to help students they should see this as key to supporting themselves going forward.

Thirsk School & Sixth Form College

Finally

- If there is anything else we can do to support your child please do ask.

- I am willing to give as much support as possible and if I can print anything or buy anything please do talk to me and I will see what I can do.
