Online Resources

- Students have been told many times this term of the resources that are available.
- Lots have been shared via Teams. Students need to request access to these.
- There are extra revision sessions which are limited to 15-30 minutes maximum to keep them sharp. These start after Christmas
- There is homework that has been set online up to January (See Bromcom), and you can add your emails into Quizizz and Seneca so you can track progress.

Printed resources

- We will be using Past Papers / Past Paper Exam Questions after Christmas to support students in learning how to answer Exam questions / how to use the correct terminology etc.
- We have a variety of different printed books and materials that students can borrow.

PPE (the Mock)

- I would encourage you to support your child with this.
- It should be seen as a **Pre Public Examination**
- It should help and support students to have an understanding of what they know and what they do not.
- I think to help students they should see this as key to supporting themselves going forward.

Finally

- If there is anything else we can do to support your child please do ask.
- I am willing to give as much support as possible and if I can print anything or buy anything please do talk to me and I will see what I can do.
